# TRANSCEND CONSULTING INC.

**Your starting lineup to hit that well-deserved home run.**

It's a safe assumption to say sales plays an integral part in growing and maintaining your business. One could even say they're in consideration to be "the real MVP" of your lineup. They deserve the necessary attention--and we give them exactly that. Our remote training is designed to help transition your team from the bench to the starting lineup.

**Alright, alright, alright... let's talk sales.**

## Ready-to-Sell

*We're ready,  
You're ready*

With your help, we build an account pipeline based on your ideal client profile. We track and share our daily progress to keep you in the loop for the duration of the project from the discovery to the onboarding of your new client.

## Remote Training

*Sit back, grab the popcorn and  
expand your noggin'*

Our industry experts show you how your team can increase their overall output and closing ratios. Your sales team will receive personal, hands-on training to teach the best practices and tricks to the trade.

## Explore Markets

*The type of safe exploration we  
have all been waiting for*

Interested in exploring a new sales vertical? We would love for you to join us every Friday on our weekly standup calls to get an in-person glimpse of the magic in motion.

If we seem confident, it's because we are. We have worked with 75+ start-ups globally, and that is only continuing to climb. Put us in, coach, we want to hit that home run with you. We don't mess around when it comes to scaling your business, we know this space and are ready take you to the promised land.

**Give us a shout, we're ready to shout with you!**
